

Reliable Dental Laboratory

"Meeting All Your Fixed & Removable Dental Lab Needs"

RDL Free Pick-ups and Deliveries

One Call Gets It All!

With just one call RDL will pick-up all of your dental restorations; crowns, dentures, implants, night guards, snore guards and sleep appliances. With the same "one call" your staff can easily check up on a case or make changes to a script. RDL is saving you time and helping your practice to streamline your case flow logistics by keeping it simple, just one call does it all.

As a part of our "[Doctor's Loyalty Program](#)" we have **Free** case pick-up and delivery* by one of our trained Driver. Our Drivers know how to transport your cases back to the lab safe and secure. Getting your case back to the lab safe and secure is the first step in making sure your dental restoration is perfect when you receive it. We are so serious about getting your restoration perfect; we go to the extremes of equipping our Drivers with "chill units" to make sure your Alginate cases get to the lab with in perfect condition.

- RDL offers Free same day pick-up for local accounts in most cases*.
- We also offer Free Lone Star and Free FedEx pick-ups, in most cases, for those out of our same day pick-up area.
- Pick-ups called in late in the afternoon may be scheduled for pick-up by our DCTS the following day; however this will not affect your return date.

* To local clients within our delivery area, call for delivery area 972-272-5511.
